

First Announcement and Call for Papers

2010 辽港建筑设备工程技术交流研讨会 Liaoning-Hong Kong Joint Symposium 2010

低碳建筑技术 – 机遇与挑战 Low Carbon Building Technology: Challenges & Opportunities

大连 2010年7月2-3日
Dalian 2-3 July 2010

Organized by

American Society of Heating, Refrigerating and Air Conditioning Engineers
Hong Kong Chapter

The Chartered Institution of Building Services Engineers
Hong Kong Branch

Hong Kong Institution of Engineers
Building Services Division

Department of Building Services Engineering, The Hong Kong Polytechnic University

CONFERENCE THEMES

This symposium is an annual event intended to bring Mainland and Hong Kong professionals together and foster all aspects of advancement in building services engineering. Sub-themes of the symposium include:

- Comfort, Safety and Health
- Advanced Building Technology / Information Technology
- Electrical Services / Controls / Automation in Buildings
- Energy and Environment
- HVAC&R
- Testing and Commissioning

WHO SHOULD ATTEND

Engineers, architects, designers, researchers, academics, property developers, professionals and practitioners involved in the wide range of disciplines associated with building services engineering. Official language of the symposium is Putonghua.

SUBMISSION DETAILS

Please submit an abstract of about 300 words to Dr MY Chan (email: bemychan@polyu.edu.hk or by facsimile: (852) 2765 5819). The Conference Proceedings will be distributed to participants at the symposium. It will include papers accepted on condition that at least one author has registered by the deadline.

KEY DATES

Abstract submission due: 19th March, 2010
Full paper submission due: 12th April, 2010
Acceptance of full paper: 19th April, 2010
Registration deadline: 3rd May, 2010
