

# First Announcement and Call for Papers

## JOINT SYMPOSIUM

# Efficient Built Environment for Tomorrow

14 November 2006 (Tue)  
Kowloon Shangri-La Hotel  
Hong Kong

### Organized by

American Society of Heating, Refrigerating and Air  
Conditioning Engineers - Hong Kong Chapter

Hong Kong Institution of Engineers  
Building Services Division

Chartered Institution of Building Services Engineers  
Hong Kong Branch

### Co-organizing University

Hong Kong Polytechnic University  
Department of Building Services Engineering

### CONFERENCE THEMES

This symposium is an annual event intended to bring together international and local speakers to foster all aspects of advances in building services engineering. Sub-themes of the symposium include (tentatively):

- Efficient use of building energy
- Built environment for comfort and health
- Globe trend toward safety of built environment
- Adaptability in built environment for flexible facility management

### WHO SHOULD ATTEND

Engineers, architects, designers, researchers, academics, professionals and practitioners involved in the wide range of disciplines associated with building services engineering.

### SUBMISSION DETAILS

Please submit proposed paper titles with an abstract of about 300 words to Dr T. M. Chung (email: [tm.chung@polyu.edu.hk](mailto:tm.chung@polyu.edu.hk) or fax:(852)27657198)

### KEY DATES

Abstract submission due: 9 June 2006

Full paper submission due: 25 August 2006

Acceptance of full paper: 15 September 2006
