

First Announcement and Call for Papers

JOINT SYMPOSIUM 2008

SHAPING OUR FUTURE ENVIRONMENT The Role of Building Services Professionals

**18 November 2008 (Tue)
Kowloon Shangri-La Hotel**

CONFERENCE THEMES

This symposium is an annual event intended to bring together international and local speakers to foster all aspects of advances in building services engineering. Sub-themes of the symposium include:

Innovation and Challenge for future

- emerging technologies and innovative design
- energy efficiency, renewable energy, carbon footprint
- green building, zero energy building, intelligent building
- new codes, standards, regulations and legislation

Implementation and Application

- retrofit and refurbishment strategies
- energy audit and energy management
- operation, maintenance and optimization
- application of new technologies and design
- case studies

WHO SHOULD ATTEND

Engineers, architects, designers, researchers, academics, professionals and practitioners involved in the wide range of disciplines associated with building services engineering.

SUBMISSION DETAILS

Please submit proposed paper title with an abstract of about 300 words to the Symposium Organizing Committee

(c/o ASHRAE Hong Kong Chapter, attention to Mr. Dave Chan, E-mail: davechan@atal.com.hk)

KEY DATES

Abstract submission due : 4 July 2008

Full paper submission due : 1 September 2008

Acceptance of full paper : 15 September 2008

Organized by

The Hong Kong Institution of Engineers
Building Services Division

American Society of Heating,
Refrigerating and Air Conditioning
Engineers
Hong Kong Chapter

Chartered Institution of
Building Services Engineers
Hong Kong Branch

Co-organizing University

Hong Kong Polytechnic University
