HKPolyU-BSE

1st Announcement and Call for Papers

Theme:

Innovative Building Design and Technology - Challenges of Climate Change
创新建筑设计及技术 - 气候变化的挑战

Date: 5 July - 8 July 2007

Venue: Hangzhou (杭州), China

Sub-topics:

1. Designs for energy efficiency ,sustainability, cost benefit analysis;
2. Building environmental performance assessment;
3. Building automation, centralized control management system;
4. Operation and maintenance issues, control and fault detection;
5. Renewable energy, energy recovery and conservation in buildings;
6. Combined heat, cool and power generation / ice storage / geothermal energy;
7. Mixed mode ventilation, contaminants dispersion and indoor air quality;
8. Smoke extraction, fire safety and hazard evaluation;
9. Power quality and reliability in buildings ;
10. Utilization of daylight and greening feature;
11. Facility and Asset Management;
12. Other related topics.

Abstract (approximate 300 words) and papers to be sent to:

Ir Dr. MUI KW, Horace
c/o Department of Building Services Engineering
The Hong Kong Polytechnic University, Hung Hom, Hong Kong
Tel: (852) 2766 5835; Fax: (852) 2765 7198
E-mail: behorace@polyu.edu.hk

Key Dates:

Abstract submission deadline:	28 February 2007
Full paper submission deadline:	30 March 2007
Confirmation of acceptance of paper:	18 May 2007

Language:

The manuscript can be written in English or Chinese. If it is in English, there should be a Chinese translation of the title and abstract following the abstract in English, and vice versa if the manuscript is in Chinese.

Presentation:

Oral presentation of paper should be in Putonghua.
