## **Hubei & Hong Kong Joint Symposium 2005**

To facilitate experience sharing and promote development on building services engineering between the Mainland China and Hong Kong, CIBSE (HKB), HKIE (BSD) & ASHRAE (HKC) have jointly organized symposiums in Beijing, Shanghai, Nanjing, Xian, Chongqing, Qingdao & Shenyang over the past seven years. This year, the three societies will jointly co-organize a two-day symposium with Hubei professional bodies in Wuhan on 1 & 2 July 2005. The theme of the symposium is “Building Services Design, System Control & Value Evaluation”, details of which are as follows:

- Entire symposium period will commence from 30 June 2005 till 3 July 2005;
- Departure from Hong Kong International Airport in the afternoon of 30 June 2005;
- Symposium will be held on 1 July 2005 for the whole day and continued in the morning of 2 July 2005;
- Factory visit to an optical fiber manufacturing plant or gas production plant in Wuhan in the afternoon of 2 July 2005;
- Return to Hong Kong on 3 July 2005.
- Registration fee is HK\$4200 per person, which includes a round trip flight ticket, breakfast, lunch, dinner, 3 nights of hotel accommodation (single room), symposium proceeding, seminars and related transportation costs. If any two participants are willing to share a double room, the fee can be reduced to HK\$3600 per person. (Remark: insurance is not included, please purchase your own insurance coverage.)

There will be approximately 120 participants in this event. Our speakers come from academic field, design institutions and experienced professionals. Participants also come from a wide variety of backgrounds, including university scholars, property developers, prospective customers, consultants, contractors, manufacturers and Wuhan governmental departments' personnel.

Those interested to take part in this meaningful event, please contact the representative of your society on or before 1 June 2005 for enrollment. This symposium is designed to meet the CPD needs of participants. (Places are limited and are reserved on a first-come-first-served basis.)
