YMC Event Series --- Technical Visit to Ocean Park Grand Aquarium

Date: 23rd November 2013 (Sat)
Time / Duration: 2:00 pm – 4:00 pm
Venue: Main Entrance, Ocean Park, Aberdeen, Hong Kong

Introduction
Ocean Park is the largest theme park in Hong Kong. In which the aquariums are world class qualified and always be the most famous landmark in Ocean Park. Aquariums in the Ocean Park displays thousands of marine animals including different type of fish, whale, shark, carol etc. Different species may require its own specific living condition in order to live healthily and substantially. To maintain a precise condition in the water, a high standard of water quality control system is installed.

In this visit, we will have chances to look through different aquariums components and to understand the control method of the environmental condition control system.

Program Highlight: The topics will be focused on the marine life support system of Grand Aquarium. These hours spent in this technical visit can be counted in the CPD of Scheme 'A' Training.

Fee: Free of charge for ASHRAE members
\$20 for non-members

Remark: CPD certificate will be provided after the visit.

Application: Open to young engineers or other professions who are interested in this event. Please complete and return the attached application form to sun.kayan@pbworld.com before 11st November 2013. Name and I.D. Card No. must be provided for the application of temporary pass. The number of participants is limited to 20. Application will be accepted on first-come-first-served basis. Successful / un-successful applicants will be notified by e-mail.
